

Clean Almost Everything Inside Your Home Like The Pros

Includes Six Cleaning Attachments

It's a
Wet/Dry
Vac Too!

The Steam Genius is also a powerful 110v motorized wet/dry vac that quickly vacuums up spills, food crumbs and pet hair. Immediately whisk away leftover moisture and dissolved contaminants from your steam cleaning. Your entire home is left bright, clean and sanitized without using - or smelling of - expensive and harsh cleaning chemicals or detergents.

Embarrassed by the stains on your carpet and upholstery? Tired of endless, expensive trips to the dry cleaners? Now you can clean almost everything in your home with the high-powered Steam Genius, a versatile combination steam cleaner and wet-dry vacuum.

Lightweight and portable, The Steam Genius' 195°F steaming power removes serious stains-even wine-from clothing, carpeting and fabric. With the extra-large 12oz. water reservoir and generous 9-ft. cord, you'll quickly cover large rooms without frequent refilling or changing outlets. Pick one of the six interchangeable attachments and you'll have the perfect compact tool for cleaning windows, appliances, and even wheelchairs! The Steam Genius stands up to all of your household cleaning jobs, for a price much lower than similar products.

Made in China.

Approximate Dimensions:
